

Magaguadavic Lakes Association 2024

The Board of Directors of the Magaguadavic Lakes Association would like to welcome all prospective members and thank all current and former members for their support. We are confident that all of us have a special place in their heart for the beautiful Magaguadavic Lakes.

As President of the Magaguadavic Lakes Association, I would like to express my thanks to Water Committee Chairman - Lee Faulkner, Dam Monitoring Chairman - Steve Dow , Treasurer/ Website Chairman - Sean Seeley , Secretary/Membership Committee member - Mariet van Groenewoud , Dave Purdue - Vice President for guidance on all matters of concern, Nicole Fraser - 2024 Magaguadavic Lakes Association Calendar and Tom McGinn - DTI reports.

In 2024, the Magaguadavic Lakes Association would like to address three main items to enhance the future generations of the upper watershed of the Magaguadavic Lakes.

1. A Stewart's Guide Book on lake do's and don'ts and preserving the lake's history.
2. Invasive plant education, monitoring, diarizing and organizing an annual paddle of the lakes, photographing and analyzing the vegetation on the lakes perimeter.
3. Neighbourhood Watch Program promoting neighborly cooperation to address potential crime.

New committee members are welcome! The association is only as strong as the participation of its members. The board is seeking zone representatives to follow up on new and existing residents who may see value in having an active Magaguadavic Lakes Association. Nine zones have been established.
